Proper Citation: Thunder (RRID:SCR_016556)

Description: Software package for the analysis of image and time series data in Python. Provides data structures and algorithms for loading, processing, and analyzing these data. Runs locally or against a Spark cluster with an identical API.

Resource Type: data analysis software, data processing software, image analysis software, software application, software resource

Availability: Free, Available for download, Freely available, Tutorial available

Resource Name: Thunder

Resource ID: SCR_016556
