CheckM

RRID:SCR_016646 Type: Tool

Proper Citation

CheckM (RRID:SCR_016646)

Resource Information

URL: http://ecogenomics.github.io/CheckM/

Proper Citation: CheckM (RRID:SCR_016646)

Description: Software tool to assess the quality of microbial genomes recovered from isolates, single cells, and metagenomes by using a broader set of marker genes specific to the position of a genome within a reference genome tree and information about the collocation of these genes.

Resource Type: software application, software toolkit, data analysis software, data processing software, software resource

Defining Citation: DOI:10.1101/gr.186072.114

Keywords: assess, quality, microbial, genome, recovered, bio.tools

Funding:

Availability: Free, Available for download, Freely available

Resource Name: CheckM

Resource ID: SCR_016646

Alternate IDs: biotools:checkm

Alternate URLs: https://github.com/Ecogenomics/CheckM, https://bio.tools/checkm

License: GNU General Public License

Record Creation Time: 20220129T080331+0000

Record Last Update: 20250517T060304+0000

Ratings and Alerts

No rating or validation information has been found for CheckM.

No alerts have been found for CheckM.

Data and Source Information
