Source code for analysis of GC-MS data - Rice HxD Project

RRID:SCR_017073

Type: Tool

Proper Citation

Source code for analysis of GC-MS data - Rice HxD Project (RRID:SCR_017073)

Resource Information

URL: https://github.com/llawas/Rice_HxD_Metabolomics

Proper Citation: Source code for analysis of GC-MS data - Rice HxD Project (RRID:SCR_017073)

Description: Source code used in the analysis of GC MS data from rice samples. Workflow for statistical analysis of GC MS data from field grown rice exposed to combined drought and heat stress.

Resource Type: data processing software, software application, data analysis software, source code, software resource, data visualization software

Keywords: analysis, GC-MS, data, rice, sample, statistics, workflow

Availability: Free, Available for download, Freely available

Resource Name: Source code for analysis of GC-MS data - Rice HxD Project

Resource ID: SCR_017073

License: GNU GPL v3

Record Creation Time: 20220129T080333+0000

Record Last Update: 20260815T182538+0000

Ratings and Alerts

No rating or validation information has been found for Source code for analysis of GC-MS data - Rice HxD Project.

No alerts have been found for Source code for analysis of GC-MS data - Rice HxD Project.
