Primer Express Software

RRID:SCR_017376

Type: Tool

Proper Citation

Primer Express Software (RRID:SCR_017376)

Resource Information

URL: <https://www.thermofisher.com/order/catalog/product/4363993>

Proper Citation: Primer Express Software (RRID:SCR_017376)

Description: Software tool by Applied Biosystems to design primers and probes using TaqMan and SYBR Green I dye chemistries for gene quantitation and allelic discrimination (SNP) real-time PCR applications. Developed for use with StepOne, StepOnePlus, 7300, 7500, 7500 Fast, 7900HT, ViiA 7, and QuantStudio real-time PCR systems. Provides customized application specific documents for absolute?relative quantitation and allelic discrimination.

Synonyms: Primer Express Software v3.0.1, Primer Express™ Software v3.0.1 License, Primer Express™ Software v3.0.1

Resource Type: data analytics software, software resource, software application, data processing software

Keywords: Applied Biosystems, ThermoFisher Scientific, design, primer, probe, TaqMan, SYBR Green, gene, quantitation, allelic, discrimination, RT PCR

Availability: Restricted

Resource Name: Primer Express Software

Resource ID: SCR_017376

Record Creation Time: 20220129T080335+0000

Record Last Update: 20260820T054849+0000

Ratings and Alerts

No rating or validation information has been found for Primer Express Software.

No alerts have been found for Primer Express Software.
