CES Genome Quebec Core Facility

RRID:SCR_017703

Type: Tool

Proper Citation

CES Genome Quebec Core Facility (RRID:SCR_017703)

Resource Information

URL: <https://cesgq.com/>

Proper Citation: CES Genome Quebec Core Facility (RRID:SCR_017703)

Description: Core for full DNA and RNA analysis services. Canada's largest integrated provider of sequencing, genotyping and biochips services. Offers scientific community around the world genomic services in support of research in human health, agrifood, forestry and sustainable development.

Synonyms: Genome Quebec Center of Expertise and Services

Resource Type: core facility, service resource, access service resource

Keywords: DNA, RNA, analysis, service, core, Canada, sequencing, genotyping, biochip

Availability: Open

Resource Name: CES Genome Quebec Core Facility

Resource ID: SCR_017703

Alternate IDs: ABRF_115, SCR_017718

Record Creation Time: 20220129T080336+0000

Record Last Update: 20260731T043018+0000

Ratings and Alerts

No rating or validation information has been found for CES Genome Quebec Core Facility.

No alerts have been found for CES Genome Quebec Core Facility.
