ClusPro

RRID:SCR_018248

Type: Tool

Proper Citation

ClusPro (RRID:SCR_018248)

Resource Information

URL: <https://cluspro.bu.edu/>

Proper Citation: ClusPro (RRID:SCR_018248)

Description: Web tool for protein-protein docking. Server provides removal of unstructured protein regions, application of attraction or repulsion, accounting for pairwise distance restraints, construction of homo-multimers, consideration of small-angle X-ray scattering data, and location of heparin-binding sites. Six different energy functions can be used, depending on protein type. This protocol describes use of various options, construction of auxiliary restraints files, selection of energy parameters, and analysis of results.

Synonyms: ClusPro 2.0

Resource Type: data access protocol, service resource, software resource, web service

Defining Citation: [PMID:28079879](#)

Keywords: Protein-protein docking, protein structure, energy function, energy parameter selection, analysis, data

Funding: NIGMS R35 GM118078;
NIGMS R01 GM061867

Availability: Free, Freely available

Resource Name: ClusPro

Resource ID: SCR_018248

Record Creation Time: 20220129T080339+0000

Record Last Update: 20260806T054658+0000

Ratings and Alerts

No rating or validation information has been found for ClusPro.

No alerts have been found for ClusPro.
