PredGPI

RRID:SCR_018363

Type: Tool

Proper Citation

PredGPI (RRID:SCR_018363)

Resource Information

URL: <http://gpcr.biocomp.unibo.it/predgpi/pred.htm>

Proper Citation: PredGPI (RRID:SCR_018363)

Description: Prediction system for GPI-anchored proteins. Used to predict presence of GPI-anchor and position of omega site. Prediction server based on support vector machine for discrimination of anchoring signal, and on Hidden Markov Model for prediction of most probable omega site. Method for screening whole proteomes.

Resource Type: service resource, production service resource, data or information resource, data access protocol, software resource, analysis service resource, web service

Defining Citation: [PMID:18811934](#)

Keywords: GPI anchored protein predictor, GPI anchored protein, predict presence of GPI anchor, predict position of omega site, discrimination of anchoring signal, prediction of probable omega site, data, screening whole proteome

Funding: European Union VI Framework Programme ;
FIRB 2003 LIBI–International Laboratory of Bioinformatics

Availability: Free, Freely available

Resource Name: PredGPI

Resource ID: SCR_018363

Record Creation Time: 20220129T080339+0000

Record Last Update: 20260813T055206+0000

Ratings and Alerts

No rating or validation information has been found for PredGPI.

No alerts have been found for PredGPI.
