Carbohydrate Structure Database

RRID:SCR_018684

Type: Tool

Proper Citation

Carbohydrate Structure Database (RRID:SCR_018684)

Resource Information

URL: <http://csdb.glycoscience.ru/database/>

Proper Citation: Carbohydrate Structure Database (RRID:SCR_018684)

Description: Database contains manually curated natural carbohydrate structures, taxonomy, bibliography, NMR data. Bacterial and Plant and Fungal databases were merged to improve quality of content-dependent services, such as taxon clustering or NMR simulation. These separate databases will be supported in parallel until 2020.

Abbreviations: CSDB

Synonyms: CSDB version 1

Resource Type: data or information resource, database

Keywords: Manually curated data, natural carbohydrate structure, carbohydrate taxonomy, carbohydrate bibliography, NMR data, bacterial carbohydrate data, fungal carbohydrate data, taxon clustering

Funding: Cooperative Threat Reduction Program of the US Department of Defense ; Russian Foundation for Basic Research ; Russian Science Foundation ; Russian Federation President program ; Deutsches Krebsforschungszentrum

Availability: Free, Freely available

Resource Name: Carbohydrate Structure Database

Resource ID: SCR_018684

Alternate IDs: r3d100012862

Alternate URLs: <https://doi.org/10.17616/R3QZ33>

Record Creation Time: 20220129T080341+0000

Record Last Update: 20260815T182936+0000

Ratings and Alerts

No rating or validation information has been found for Carbohydrate Structure Database.

No alerts have been found for Carbohydrate Structure Database.
