Perkin Elmer: Operetta CLS

RRID:SCR_018810

Type: Tool

Proper Citation

Perkin Elmer: Operetta CLS (RRID:SCR_018810)

Resource Information

URL: https://www.perkinelmer.com/lab-solutions/resources/docs/BRO_Operetta_CLS_FINAL.pdf

Proper Citation: Perkin Elmer: Operetta CLS (RRID:SCR_018810)

Description: High content image acquisition instrument. Automatic cell imaging system designed for quantitative cellular analysis of fixed or live cells. Contains sCMOS camera that provides large field of view and high resolution image capture.

Synonyms: Operetta CLS system

Resource Type: instrument resource

Keywords: Image acquisition, cell imaging, cell imaging system, automatic system, quantitative cellular analysis, fixed cell, alive cell, sCMOS camera, image capture, instrument, equipment

Availability: Restricted

Resource Name: Perkin Elmer: Operetta CLS

Resource ID: SCR_018810

Alternate URLs: <https://www.merck.com/media/18694/operetta-cls-high-content-analysis-system-brochure.pdf>

Record Creation Time: 20220129T080342+0000

Record Last Update: 20260801T190625+0000

Ratings and Alerts

No rating or validation information has been found for Perkin Elmer: Operetta CLS.

No alerts have been found for Perkin Elmer: Operetta CLS.
