Hetindel

RRID:SCR_018922 Type: Tool

Proper Citation

Hetindel (RRID:SCR_018922)

Resource Information

URL: https://github.com/najasplus/hetindel_shinyapp

Proper Citation: Hetindel (RRID:SCR_018922)

Description: Software package to identify genomic insertions or deletions, so called indels, in heterozygous sequencing data where both alleles carry mutations. Used to analyze heterozygous indels.

Resource Type: software resource, data processing software, data analysis software, software application

Keywords: Genomic insertions identification, genomic deletions identification, indel, heterozygous sequencing data, alleles, mutation, heterozygous indel, data

Funding:

Availability: Free, Available for download, Freely available

Resource Name: Hetindel

Resource ID: SCR_018922

Record Creation Time: 20220129T080342+0000

Record Last Update: 20250501T081510+0000

Ratings and Alerts

No rating or validation information has been found for Hetindel.

No alerts have been found for Hetindel.
