## AmpliconTagger

RRID:SCR\_019112

Type: Tool

### Proper Citation

AmpliconTagger (RRID:SCR\_019112)

### Resource Information

**URL:** <https://jtremlay.github.io/amplicontagger.html>

**Proper Citation:** AmpliconTagger (RRID:SCR\_019112)

**Description:** Software tool as rRNA marker gene amplicon pipeline coded in python framework that enables fine tuning and integration of virtually any potential rRNA gene amplicon bioinformatic procedure. Designed to work within HPC environment, supporting complex network of job dependencies with smart restart mechanism in case of job failure or parameter modifications.

**Resource Type:** workflow software, data processing software, software resource, software application

**Defining Citation:** [PMID:31816087](#)

**Keywords:** High Performance Computing, HPC environment, rRNA gene amplicons, rRNA marker, gene amplicon pipeline, bio.tools

**Availability:** Free, Freely available

**Resource Name:** AmpliconTagger

**Resource ID:** SCR\_019112

**Alternate IDs:** SCR\_019113, biotools:amplicontagger

**Alternate URLs:** [https://bitbucket.org/jtremlay514/nrc\\_pipeline\\_public/src/master/](https://bitbucket.org/jtremlay514/nrc_pipeline_public/src/master/), [https://jtremlay.github.io/amplicontagger\\_guide.html](https://jtremlay.github.io/amplicontagger_guide.html), <https://bio.tolols/amplicontagger>

**License:** GNU GPL

**Record Creation Time:** 20220129T080343+0000

**Record Last Update:** 20260819T044527+0000

---

## Ratings and Alerts

No rating or validation information has been found for AmpliconTagger.

No alerts have been found for AmpliconTagger.
