University of Zurich Center for Microscopy and Image Analysis Core Facility

RRID:SCR_019115

Type: Tool

Proper Citation

University of Zurich Center for Microscopy and Image Analysis Core Facility (RRID:SCR_019115)

Resource Information

URL: https://www.zmb.uzh.ch/en.html

Proper Citation: University of Zurich Center for Microscopy and Image Analysis Core Facility (RRID:SCR_019115)

Description: Advanced imaging facility providing various imaging techniques in microscopy. Focus is on techniques, instrumentation and know-how in electron and light microscopy including preparation.

Abbreviations: ZMB

Synonyms: Center for Microscopy and Image Analysis, University of Zurich Center for Microscopy and Image Analysis

Resource Type: core facility, service resource, access service resource

Keywords: Superresolution microscopy, confocal microscopy, spinning disk microscopy, high throughput microscopy, widefield microscopy, lightsheet microscopy, focused ighpression beam scanning electron microscopy, array tomography scanning electron microscopy, cryo-electron microscopy, transmission electron microscopy, hure freezing, ultramicrotomy, immuno-electron microscopy, ABRF, ABRF

Funding:

Availability: Open

Resource Name: University of Zurich Center for Microscopy and Image Analysis Core

Facility

Resource ID: SCR_019115

Alternate IDs: ABRF_1063

Alternate URLs: https://coremarketplace.org/?FacilityID=1063

Record Creation Time: 20220129T080343+0000

Record Last Update: 20250517T060412+0000

Ratings and Alerts

No rating or validation information has been found for University of Zurich Center for Microscopy and Image Analysis Core Facility.

No alerts have been found for University of Zurich Center for Microscopy and Image Analysis Core Facility.
