Leica: EM FC6 UC6b Ultramicrotome

RRID:SCR_020226

Type: Tool

Proper Citation

Leica: EM FC6 UC6b Ultramicrotome (RRID:SCR_020226)

Resource Information

URL: <https://www.leica-microsystems.com/products/sample-preparation-for-electron-microscopy/p/leica-em-uc6/>

Proper Citation: Leica: EM FC6 UC6b Ultramicrotome (RRID:SCR_020226)

Description: Leica Ultracut EM UC6 is an advanced ultramicrotome that features a Touch Screen Control Panel or a Keypad Control Panel. Both options enable fast and safer alignment of knife and specimen, and the programmable knife and cutting movements make trimming easy. With Leica's AutoTrim, you can automatically trim a specimen to a predetermined level in the block face, best for morphometric studies. Three dependent, built-in, brightness- controlled LED light sources provide outstanding illumination for top light, back light, and specimen transillumination.

Resource Type: instrument resource

Keywords: Leica, Ultramicrotome, Instrument Equipment, USEdit

Availability: Commercially available

Specification URL: https://raw.githubusercontent.com/SciCrunch/RRID-Instruments/main/PDF/SCR_020226.pdf

Resource Name: Leica: EM FC6 UC6b Ultramicrotome

Resource ID: SCR_020226

Alternate IDs: Model_Number_UC6b

Record Creation Time: 20220129T080349+0000

Record Last Update: 20260815T182632+0000

Ratings and Alerts

No rating or validation information has been found for Leica: EM FC6 UC6b Ultramicrotome.

No alerts have been found for Leica: EM FC6 UC6b Ultramicrotome.
