## Leica: EG1150H Heated Paraffin Embedding Module

RRID:SCR\_020227

Type: Tool

### Proper Citation

Leica: EG1150H Heated Paraffin Embedding Module (RRID:SCR\_020227)

### Resource Information

**URL:** <https://www.leicabiosystems.com/histology-equipment/histology-embedding-centers-accessories/products/leica-eg1150-h/>

**Proper Citation:** Leica: EG1150H Heated Paraffin Embedding Module (RRID:SCR\_020227)

**Description:** Leica EG1150 H is a heated, paraffin dispensing module with 3-liter capacity and a heated work surface with storage areas for both cassettes and molds. All functions of the EG1150 H are controlled via an easy-to-read LED display, including the temperature settings for left and right hand warming trays, paraffin reservoir, and working surface.

**Resource Type:** instrument resource

**Keywords:** Leica, Heated Paraffin Embedding Module, Instrument Equipment, USEDit

**Availability:** Commercially available

**Specification URL:** [https://raw.githubusercontent.com/SciCrunch/RRID-Instruments/main/PDF/SCR\\_020227.pdf](https://raw.githubusercontent.com/SciCrunch/RRID-Instruments/main/PDF/SCR_020227.pdf)

**Resource Name:** Leica: EG1150H Heated Paraffin Embedding Module

**Resource ID:** SCR\_020227

**Alternate IDs:** Model\_Number\_1150H

**Record Creation Time:** 20220129T080349+0000

**Record Last Update:** 20260801T190642+0000

### Ratings and Alerts

No rating or validation information has been found for Leica: EG1150H Heated Paraffin Embedding Module.

No alerts have been found for Leica: EG1150H Heated Paraffin Embedding Module.
