## Molecular Devices: Spectramax M2e Microplate Reader

RRID:SCR\_020297

Type: Tool

### Proper Citation

Molecular Devices: Spectramax M2e Microplate Reader (RRID:SCR\_020297)

### Resource Information

**URL:** <https://www.moleculardevices.com/sites/default/files/en/assets/data-sheets/br/spectramax-m2-m2e-microplate-readers.pdf>

**Proper Citation:** Molecular Devices: Spectramax M2e Microplate Reader (RRID:SCR\_020297)

**Description:** Multidetector microplate readers with dual monochromators, dual-mode cuvette ports, and top- and bottom-reading capability. Detection modalities include absorbance (UV-Vis Abs) and fluorescence intensity (FI). Endpoint, kinetic, spectrum and area-well scanning read types and the PathCheck Sensor allow homogeneous and heterogeneous microplate assays to be performed in one flexible system. SpectraMax M2 readers provide for easy conversion and optimization of very-low-throughput to medium-high-throughput assays, faster, more precise results and reagent savings. In addition, combined absorbance and fluorescence intensity assays can be run by issuing a single read command.

**Resource Type:** instrument resource

**Keywords:** Molecular Devices, Microplate Reader, Instrument Equipment, USEDit

**Availability:** Commercially available

**Specification URL:** [https://raw.githubusercontent.com/SciCrunch/RRID-Instruments/main/PDF/SCR\\_020297.pdf](https://raw.githubusercontent.com/SciCrunch/RRID-Instruments/main/PDF/SCR_020297.pdf)

**Resource Name:** Molecular Devices: Spectramax M2e Microplate Reader

**Resource ID:** SCR\_020297

**Alternate IDs:** SCR\_020527, Model\_Number\_SpectraMax M2e

**Record Creation Time:** 20220129T080349+0000

**Record Last Update:** 20260821T194146+0000

---

## Ratings and Alerts

No rating or validation information has been found for Molecular Devices: Spectramax M2e Microplate Reader.

No alerts have been found for Molecular Devices: Spectramax M2e Microplate Reader.
