Resource Information

URL: <https://scikit-image.org/>

Proper Citation: scikit-image (RRID:SCR_021142)

Description: Open source software tool as collection of image processing algorithms implemented in Python programming language. Image processing library that implements algorithms and utilities developed by active, international team of collaborators.

Resource Type: data processing software, software application, software toolkit, software resource, image processing software

Defining Citation: [DOI:10.7717/peerj.453](https://doi.org/10.7717/peerj.453)

Keywords: Image processing toolkit, Python, image processing library, algorithms collection

Availability: Free, Available for download, Freely available

Resource Name: scikit-image

Resource ID: SCR_021142

License: BSD license

Record Creation Time: 20220129T080354+0000

Record Last Update: 20260806T054722+0000
