University of California at Santa Cruz CRISPR Core Facility

RRID:SCR_021207

Type: Tool

Proper Citation

University of California at Santa Cruz CRISPR Core Facility (RRID:SCR_021207)

Resource Information

URL: <https://sites.google.com/ucsc.edu/ucsccrisprcore/home>

Proper Citation: University of California at Santa Cruz CRISPR Core Facility (RRID:SCR_021207)

Description: Facility that provides CRISPR services and expertise to facilitate study of gene function. Services include project consultation, sgRNA design and cloning, lentivirus production, custom CRISPR cell line generation and genome wide CRISPR screen.

Abbreviations: UCSC CRISPR Core

Resource Type: core facility, access service resource, service resource

Keywords: USEDit, ABRF, lentivirus for expression of gRNAs and ORF overexpression, custom gRNA cloning, construct custom CRISPR cell lines

Resource Name: University of California at Santa Cruz CRISPR Core Facility

Resource ID: SCR_021207

Record Creation Time: 20220129T080354+0000

Record Last Update: 20260808T190657+0000

Ratings and Alerts

No rating or validation information has been found for University of California at Santa Cruz CRISPR Core Facility.

No alerts have been found for University of California at Santa Cruz CRISPR Core Facility.
