Type: Tool

Proper Citation

psych (RRID:SCR_021744)

Resource Information

URL: https://cran.r-project.org/package=psych

Proper Citation: psych (RRID:SCR_021744)

Description: Software R package for multivariate analysis and scale construction using factor analysis, principal component analysis, cluster analysis and reliability analysis. Procedures for Psychological, Psychometric, and Personality Research. Used for personality, psychometric theory and experimental psychology.

Resource Type: software toolkit, software resource

Keywords: Psychological research procedure, Psychometric research procedure, Personality research procedure, factor analysis, principal component analysis, cluster analysis, reliability analysis

Funding:

Availability: Free, Available for download, Freely available

Resource Name: psych

Resource ID: SCR_021744

Alternate URLs: https://personality-project.org/r/psych/, https://sources.debian.org/src/r-cran-

psych/

License: GPL v3

Record Creation Time: 20220129T080357+0000

Record Last Update: 20250508T065951+0000

Ratings and Alerts

No rating or validation information has been found for psych.

No alerts have been found for psych.
