ImmGen

RRID:SCR_021792

Type: Tool

Proper Citation

ImmGen (RRID:SCR_021792)

Resource Information

URL: <https://www.immgen.org/>

Proper Citation: ImmGen (RRID:SCR_021792)

Description: Project combines immunology and computational biology laboratories in effort to establish complete road map of gene-expression and regulatory networks in all immune cells. Project will generate, with rigorously standardized conditions, complete compendium of genome-wide data sets showing expression of protein-coding genes for all defined cell populations of mouse immune system.

Synonyms: Immunological Genome Project

Resource Type: data or information resource, database

Defining Citation: [PMID:18800157](#), [PMID:32978299](#)

Keywords: gene expression, regulatory networks, all immune cells, protein coding genes, mouse immune system

Funding: NIAID R24 AI072073

Availability: Free, Freely available

Resource Name: ImmGen

Resource ID: SCR_021792

Record Creation Time: 20220129T080357+0000

Record Last Update: 20260811T043659+0000

Ratings and Alerts

No rating or validation information has been found for ImmGen.

No alerts have been found for ImmGen.
