Proper Citation: Dimensions (RRID:SCR_021977)

Description: Database that aggregates, harmonizes and links records of various publication types from diverse sources, including Crossref and PubMed Central using automated routines and artificial intelligence technologies. Publications, ranging from articles published in scholarly journals, books and book chapters, to preprints and conference proceedings. All publications are contextualized with linked data sets, funding, publications, patents, clinical trials, and policy documents. You can also view associated categories, funders, institutions, and researcher profiles.

Resource Type: data or information resource, database

Defining Citation: [DOI:10.1162/qss_a_00020](https://doi.org/10.1162/qss_a_00020)

Keywords: publication linked to data sets, funding, patents, clinical trials, policy documents, publication aggregation, articles published in scholarly journals, books, book chapters, preprints, conference proceedings.

Resource Name: Dimensions

Resource ID: SCR_021977

Record Creation Time: 20220421T050138+0000

Record Last Update: 20260815T182936+0000
