MashMap

RRID:SCR_022194

Type: Tool

Proper Citation

MashMap (RRID:SCR_022194)

Resource Information

URL: <https://github.com/marbl/MashMap>

Proper Citation: MashMap (RRID:SCR_022194)

Description: Software tool as fast approximate aligner for long DNA sequences. Used for computing local alignment boundaries between long DNA sequences.

Resource Type: image analysis software, data processing software, software application, software resource, alignment software

Defining Citation: [PMID:30423094](#), [DOI:10.1007/978-3-319-56970-3_5](#)

Keywords: mapping genome assembly, long DNA sequences, long reads, reference genome, long DNA sequences aligner

Funding: NSF CCF1816027;
National Human Genome Research Institute ;
NIH

Availability: Free, Available for download, Freely available

Resource Name: MashMap

Resource ID: SCR_022194

License URLs: <https://github.com/marbl/MashMap/blob/master/LICENSE.txt>

Record Creation Time: 20220427T191217+0000

Record Last Update: 20260815T182705+0000

Ratings and Alerts

No rating or validation information has been found for MashMap.

No alerts have been found for MashMap.

Data and Source Information
