DeepEthogram

RRID:SCR_022355

Type: Tool

Proper Citation

DeepEthogram (RRID:SCR_022355)

Resource Information

URL: https://edspace.american.edu/openbehavior/project/deepethogram/

Proper Citation: DeepEthogram (RRID:SCR_022355)

Description: Software tool to extract relevant features from images and use time series of these features to classify whether given behavior is present in each frame of video recording.machine learning pipeline for supervised behavior classification from raw pixels. Performs action recognition ,automated behavior classification, over frames. Used for automated behavior classification to detect and track behavior over time.

Abbreviations: DEG

Resource Type: data analysis software, data processing software, software resource,

software application

Defining Citation: DOI:10.7554/eLife.63377

Keywords: OpenBehavior, behavioral data analysis, video analysis, offline analysis software, behavior measurement, supervised behavior classification from raw pixels

Funding:

Availability: Free, Available for download, Freely available

Resource Name: DeepEthogram

Resource ID: SCR_022355

Alternate URLs: https://github.com/jbohnslav/deepethogram

License: Academic and Non-Commercial Research Use Software License

Record Creation Time: 20220602T050140+0000

Record Last Update: 20250429T060151+0000

Ratings and Alerts

No rating or validation information has been found for DeepEthogram.

No alerts have been found for DeepEthogram.

Data and Source Information

Source: SciCrunch Registry

Usage and Citation Metrics

We found 2 mentions in open access literature.

Listed below are recent publications. The full list is available at dkNET.
