Markov Affinity based Graph Imputation of Cells

RRID:SCR_022371

Type: Tool

Proper Citation

Markov Affinity based Graph Imputation of Cells (RRID:SCR_022371)

Resource Information

URL: <https://github.com/KrishnaswamyLab/MAGIC>

Proper Citation: Markov Affinity based Graph Imputation of Cells (RRID:SCR_022371)

Description: Software tool for imputing missing values restoring structure of large biological datasets. Method that shares information across similar cells, via data diffusion, to denoise cell count matrix and fill in missing transcripts.

Abbreviations: MAGIC

Resource Type: software resource, software application, data processing software, data analysis software

Defining Citation: [PMID:29961576](#)

Keywords: imputing missing values, restoring structure, shares information across similar cells, denoise cell count matrix, fill in missing transcripts

Funding: NICHD DP1 HD084071;
NCI R01 CA164729;
NCI P30 CA008748;
American Cancer Society ;
Simons SFARI grants

Availability: Free, Available for download, Freely available

Resource Name: Markov Affinity based Graph Imputation of Cells

Resource ID: SCR_022371

License: GNU GPL v2.0

Record Creation Time: 20220602T050140+0000

Record Last Update: 20260817T040659+0000

Ratings and Alerts

No rating or validation information has been found for Markov Affinity based Graph Imputation of Cells.

No alerts have been found for Markov Affinity based Graph Imputation of Cells.
