Data Envelopment Analysis Program

RRID:SCR 023002

Type: Tool

Proper Citation

Data Envelopment Analysis Program (RRID:SCR_023002)

Resource Information

URL: https://economics.uq.edu.au/cepa/software

Proper Citation: Data Envelopment Analysis Program (RRID:SCR_023002)

Description: Software tool to construct Data Envelopment Analysis frontiers for calculation

of technical and cost efficiencies and also for calculation of Malmquist TFP Indices.

Abbreviations: DEAP

Synonyms: Data Envelopment Analysis (Computer) Program, DEAP 2.1

Resource Type: 1d time-series analysis software, data processing software, data analysis

software, time-series analysis software, software resource, software application

Keywords: Data Envelopment Analysis, calculation of technical and cost efficiencies,

Malmquist TFP Indices calculation

Funding:

Availability: Free, Available for download, Freely available

Resource Name: Data Envelopment Analysis Program

Resource ID: SCR_023002

Record Creation Time: 20221130T050153+0000

Record Last Update: 20250429T060219+0000

Ratings and Alerts

No rating or validation information has been found for Data Envelopment Analysis Program.

No alerts have been found for Data Envelopment Analysis Program.

Data and Source Information
