## **Resource Summary Report**

Generated by dkNET on Apr 28, 2025

# University of North Carolina Neuroscience Center and the BRAIN Initiative Viral Vector Core Facility

RRID:SCR\_023280

Type: Tool

## **Proper Citation**

University of North Carolina Neuroscience Center and the BRAIN Initiative Viral Vector Core Facility (RRID:SCR\_023280)

#### Resource Information

URL: https://www.unc-neurotools.org/

**Proper Citation:** University of North Carolina Neuroscience Center and the BRAIN Initiative Viral Vector Core Facility (RRID:SCR\_023280)

**Description:** Core provides affordable, custom viral vectors for neuroscience.

**Synonyms:** BRAIN Initiative NeuroTools Vector Core UNC, BRAIN Initiative NeuroTools Vector Core Facility, Neurotools Viral Vector Core Facility

Resource Type: access service resource, service resource, core facility

Keywords: Neurotools, custom viral vectors, neuroscience, USEDit, ABRF

**Funding:** 

Availability: Restricted

Resource Name: University of North Carolina Neuroscience Center and the BRAIN Initiative

Viral Vector Core Facility

Resource ID: SCR\_023280

**Record Creation Time:** 20230215T050205+0000

Record Last Update: 20250428T054348+0000

## **Ratings and Alerts**

No rating or validation information has been found for University of North Carolina Neuroscience Center and the BRAIN Initiative Viral Vector Core Facility.

No alerts have been found for University of North Carolina Neuroscience Center and the BRAIN Initiative Viral Vector Core Facility.

### **Data and Source Information**

Source: SciCrunch Registry

## **Usage and Citation Metrics**

We found 1 mentions in open access literature.

**Listed below are recent publications.** The full list is available at dkNET.

lannone AF, et al. (2024) The chemokine Cxcl14 regulates interneuron differentiation in layer I of the somatosensory cortex. Cell reports, 43(8), 114531.
