ATHLATES

RRID:SCR_023689

Type: Tool

Proper Citation

ATHLATES (RRID:SCR_023689)

Resource Information

URL: <https://github.com/cliu32/athlates>

Proper Citation: ATHLATES (RRID:SCR_023689)

Description: Software package for determining HLA genotypes for individuals from Illumina exome sequencing data. Program applies assembly, allele identification and allelic pair inference to short read sequences, and applies it to data from Illumina platforms.

Resource Type: software toolkit, software resource

Defining Citation: [PMID:23748956](#)

Keywords: Illumina, HLA genotypes determination, Illumina exome sequencing data, allele identification, allelic pair inference, short read sequence,

Funding: Washington University School of Medicine ;
NIAID ;
National Institutes of Health ;
Department of Health and Human Services

Availability: Free, Available for download, Freely available

Resource Name: ATHLATES

Resource ID: SCR_023689

Record Creation Time: 20230616T050221+0000

Record Last Update: 20260815T183019+0000

Ratings and Alerts

No rating or validation information has been found for ATHLATES.

No alerts have been found for ATHLATES.
