PlasmidSeeker

RRID:SCR_024167

Type: Tool

Proper Citation

PlasmidSeeker (RRID:SCR_024167)

Resource Information

URL: <https://github.com/bioinfo-ut/PlasmidSeeker>

Proper Citation: PlasmidSeeker (RRID:SCR_024167)

Description: Software tool as k-mer based program for identification of known plasmids from whole genome sequencing reads. Used for identification of known plasmids from bacterial whole genome sequencing reads.

Synonyms: plasmidseeker

Resource Type: data processing software, software application, software resource, data analysis software

Defining Citation: [PMID:29629246](#)

Keywords: k-mer based program, identification of known plasmids, whole genome sequencing reads,

Availability: Free, Available for download, Freely available,

Resource Name: PlasmidSeeker

Resource ID: SCR_024167

Alternate IDs: OMICS_28371

Alternate URLs: <https://sources.debian.org/src/plasmidseeker/>

License: BSD-3-Clause license

Record Creation Time: 20230824T050212+0000

Record Last Update: 20260805T044527+0000

Ratings and Alerts

No rating or validation information has been found for PlasmidSeeker.

No alerts have been found for PlasmidSeeker.

Data and Source Information
