Kassandra

RRID:SCR_024548

Type: Tool

Proper Citation

Kassandra (RRID:SCR_024548)

Resource Information

URL: <https://science.bostongene.com/kassandra/>

Proper Citation: Kassandra (RRID:SCR_024548)

Description: Software bulk RNA-seq cellular deconvolution tool. Used for analysis of healthy tissue and tumor biopsies. Based on RNA-seq NGS data of biological sample, Kassandra predicts cellular composition including stromal and immune elements by analyzing gene expression.

Resource Type: data analysis software, data processing software, software application, software resource

Defining Citation: [PMID:35944503](#)

Keywords: RNA-seq cellular deconvolution, analysis of healthy tissue and tumor biopsies, RNA-seq NGS data, predict cellular composition, analyzing gene expression,

Funding: BostonGene

Availability: Free, Available for download, Freely available

Resource Name: Kassandra

Resource ID: SCR_024548

Alternate URLs: <https://github.com/BostonGene/Kassandra>

License URLs: <https://github.com/BostonGene/Kassandra/blob/main/license.md>

Record Creation Time: 20231011T181826+0000

Record Last Update: 20260829T182829+0000

Ratings and Alerts

No rating or validation information has been found for Cassandra.

No alerts have been found for Cassandra.
