Proper Citation: Leica: STELLARIS 5 microscope (RRID:SCR_024663)

Description: STELLARIS 5 microscope has core system with integrated WLL, combined with proprietary Acousto-Optical Beam Splitter and Power HyD S detectors. Together with the TauSense technology, STELLARIS 5 sets a new standard for the quality of images and quantity of information generated. Imaging with user interface, ImageCompass.

Resource Type: instrument resource

Keywords: microscope, imaging, Acousto-Optical Beam Splitter, Power HyD S detectors, TauSense technology,
