# **Microsoft SEAL**

RRID:SCR\_025184 Type: Tool

#### **Proper Citation**

Microsoft SEAL (RRID:SCR\_025184)

#### **Resource Information**

URL: https://github.com/microsoft/SEAL

Proper Citation: Microsoft SEAL (RRID:SCR\_025184)

**Description:** Software homomorphic encryption library. C++ FHE library implementing BFV and CKKS schemes. Allows computations to be performed directly on encrypted data. This enables software engineers to build end-to-end encrypted data storage and computation services where the customer never needs to share their key with the service.

Abbreviations: SEAL

Resource Type: software library, software toolkit, software resource, source code

Keywords: C++ FHE library, homomorphic encryption, encrypted data,

Funding:

Availability: Free, Available for download, Freely available

Resource Name: Microsoft SEAL

Resource ID: SCR\_025184

License: MIT license

Record Creation Time: 20240403T053245+0000

Record Last Update: 20250430T060419+0000

**Ratings and Alerts** 

No rating or validation information has been found for Microsoft SEAL.

No alerts have been found for Microsoft SEAL.

## Data and Source Information
