Intercellular Junction Organization Quantification

RRID:SCR_026026

Type: Tool

Proper Citation

Intercellular Junction Organization Quantification (RRID:SCR_026026)

Resource Information

URL: <https://github.com/DevonsMo/IJOQ/releases>

Proper Citation: Intercellular Junction Organization Quantification (RRID:SCR_026026)

Description: Software Python tool for fully automated analysis of cell-cell junction integrity. Used for fluorescence microscopy analysis.

Abbreviations: IJOQ

Resource Type: source code, data processing software, software resource, data analysis software, software application

Defining Citation: [PMID:35755841](#)

Keywords: automated analysis, cell-cell junction integrity, fluorescence microscopy analysis,

Funding: NIGMS 1SC2GM141988;
California State University Program for Education and Research in Biotechnology
Graduate Student COVID-19 Research Restart Program

Availability: Free, Available for download, Freely available

Resource Name: Intercellular Junction Organization Quantification

Resource ID: SCR_026026

License: GNU GPN v3

Record Creation Time: 20241109T053310+0000

Record Last Update: 20260818T043807+0000

Ratings and Alerts

No rating or validation information has been found for Intercellular Junction Organization Quantification.

No alerts have been found for Intercellular Junction Organization Quantification.
