TRUST4

RRID:SCR_026162

Type: Tool

Proper Citation

TRUST4 (RRID:SCR_026162)

Resource Information

URL: <https://github.com/liulab-dfci/TRUST4>

Proper Citation: TRUST4 (RRID:SCR_026162)

Description: Software tool to analyze TCR and BCR sequences using unselected RNA sequencing data, profiled from fluid and solid tissues, including tumors. Performs de novo assembly on V, J, C genes including the hypervariable complementarity-determining region 3 and reports consensus contigs of BCR/TCR sequences. TRUST4 then realigns the contigs to IMGT reference gene sequences to identify the corresponding gene and CDR3 details. TRUST4 supports both single-end and paired-end bulk or single-cell sequencing data with any read length.

Resource Type: data analysis software, data processing software, sequence analysis software, software application, software resource, source code

Defining Citation: [PMID:33986545](#)

Keywords: analyze TCR and BCR sequences, de novo assembly, unselected RNA sequencing data, fluid and solid tissues, tumors,

Funding: NCI U01CA226196;
NCI U24CA224316

Availability: Free, Available for download, Freely available

Resource Name: TRUST4

Resource ID: SCR_026162

License: MIT license

Record Creation Time: 20241210T053256+0000

Record Last Update: 20260912T200459+0000

Ratings and Alerts

No rating or validation information has been found for TRUST4.

No alerts have been found for TRUST4.
