## University of Michigan Medical School BRCF Vector Core Facility

RRID:SCR\_026696

Type: Tool

---

### Proper Citation

University of Michigan Medical School BRCF Vector Core Facility (RRID:SCR\_026696)

---

### Resource Information

**URL:** <https://medresearch.umich.edu/office-research/about-office-research/biomedical-research-core-facilities/vector-core>

**Proper Citation:** University of Michigan Medical School BRCF Vector Core Facility (RRID:SCR\_026696)

**Description:** Vector Core produces gene transfer vectors that facilitate transfer of specific genes into either normal or aberrant cells. Provides intellectual and technical advice to researchers regarding the optimal use of these systems.

**Synonyms:** University of Michigan BRCF Vector Core

**Resource Type:** service resource, access service resource, core facility

**Keywords:** ABRF, gene transfer vectors, produce gene transfer vectors,

**Resource Name:** University of Michigan Medical School BRCF Vector Core Facility

**Resource ID:** SCR\_026696

**Alternate IDs:** ABRF\_3131

**Alternate URLs:** <https://coremarketplace.org/?FacilityID=3131&citation=1>

**Record Creation Time:** 20250403T060323+0000

**Record Last Update:** 20260815T183248+0000

---

### Ratings and Alerts

No rating or validation information has been found for University of Michigan Medical School BRCF Vector Core Facility.

No alerts have been found for University of Michigan Medical School BRCF Vector Core Facility.
