Proper Citation: University of Texas Southwestern Medical Center Dallas Histo Pathology Core Facility (RRID:SCR_027706)

Description: Core offers research histology and anatomic pathology services and customized pathology services. Facilitates morphologic and histologic assessment of murine transgenic and knockout phenotypes as well as experimental procedure-based models of disease for basic and clinical research. We utilize expertise in gross pathology, routine histology, immunohistochemistry, tissue microarray, spatial transcriptomics, spatial proteomics, laser-capture microdissection, materials science, photomicrography, and image analysis.

Synonyms: University of Texas Southwestern Medical Center Dallas Histo Pathology Core

Resource Type: core facility, service resource, access service resource

Keywords: ABRF, histology and anatomic pathology services,
