## Washington University in St. Louis Washington University Center for Cellular Imaging Core Facility

RRID:SCR_028069
Type: Tool

### Proper Citation

Washington University in St. Louis Washington University Center for Cellular Imaging Core Facility (RRID:SCR_028069)

### Resource Information

**URL:** https://wucci.wustl.edu/

**Proper Citation:** Washington University in St. Louis Washington University Center for Cellular Imaging Core Facility (RRID:SCR_028069)

**Description:** Core offers access to advanced imaging technologies, expert consultation, training, and collaborative partnerships across the School of Medicine and Washington University research community. Provides access to light and electron microscopy platforms, guidance in experimental design, sample preparation, data acquisition, quantitative image analysis, expertise, and training to enable investigators to explore cellular and tissue architecture across scales.

**Synonyms:** Washington University Center for Cellular Imaging (WUCCI)

**Resource Type:** access service resource, core facility, service resource

**Keywords:** ABRF, light and electron microscopy platforms, guidance in experimental design, sample preparation, data acquisition, quantitative image analysis, expertise, training

**Availability:** Restricted

**Resource Name:** Washington University in St. Louis Washington University Center for Cellular Imaging Core Facility

**Resource ID:** SCR_028069

**Alternate IDs:** ABRF_5810

**Alternate URLs:** https://https://coremarketplace.org/?FacilityID=5810&citation=1

**Record Creation Time:** 20260310T055207+0000

**Record Last Update:** 20260829T183541+0000

## Ratings and Alerts

No rating or validation information has been found for Washington University in St. Louis Washington University Center for Cellular Imaging Core Facility.

No alerts have been found for Washington University in St. Louis Washington University Center for Cellular Imaging Core Facility.

## Data and Source Information

**Source:** SciCrunch Registry

## Usage and Citation Metrics

We found 1 mentions in open access literature.

**Listed below are recent publications.** The full list is available at dkNET .
