NIH NCI Cancer Data Access System Prostate, Lung, Colorectal and Ovarian (PLCO) Cancer Screening Trial Portal (RRID:SCR_028226)

Resource Information

URL: <https://cdas.cancer.gov/plco/>

Proper Citation: NIH NCI Cancer Data Access System Prostate, Lung, Colorectal and Ovarian (PLCO) Cancer Screening Trial Portal (RRID:SCR_028226)

Description: National Cancer Institute (NCI)-sponsored randomized, controlled study (1993-2001) of ~155,000 adults aged 55-74 to evaluate whether organized, regular screenings could reduce cancer deaths compared to usual care. Portal provides randomized, controlled trial data used to determine whether certain screening exams reduce mortality from prostate, lung, colorectal and ovarian cancer.

Synonyms: Lung, Colorectal and Ovarian (PLCO) Cancer Screening Trial, Prostate

Resource Type: topical portal, disease-related portal, data or information resource, portal

Keywords: randomized, controlled trial, screening exams, reduce mortality, prostate, lung, colorectal, ovarian, cancer

Related Condition: Cancer

Availability: Restricted

Resource Name: NIH NCI Cancer Data Access System Prostate, Lung, Colorectal and Ovarian (PLCO) Cancer Screening Trial Portal

Resource ID: SCR_028226

Record Creation Time: 20260402T060015+0000

Record Last Update: 20260818T043840+0000

Ratings and Alerts

No rating or validation information has been found for NIH NCI Cancer Data Access System Prostate, Lung, Colorectal and Ovarian (PLCO) Cancer Screening Trial Portal.

No alerts have been found for NIH NCI Cancer Data Access System Prostate, Lung, Colorectal and Ovarian (PLCO) Cancer Screening Trial Portal.
