Proper Citation: KLEIO (RRID:SCR_000698)

Description: An information retrieval system that provides knowledge enriched searching facilities across the ever growing MEDLINE collection, the world's most comprehensive source of life sciences and biomedical bibliographic information. The semantic faceted search, using named entity recognition, can be accessed from your browser. By combining a selection of software services they can provide enhanced results through a process that identifies key entities within the text, such as gene names or proteins, and improves the querying method with unique identifiers by automatically including synonyms, spelling variants and even disambiguating acronyms. This combines with the traditional features found in other interfaces to provide a much needed solution to the growing problem of finding valuable information within the ever increasing volume of modern publications. The current available categories: * PROTEIN, GENE, METABOLITE, DISEASE, SYMPTOM, ORGAN, * DIAG_PROC, THERAPEUTIC_PROC, (diagnostic/therapeutic procedure, e.g. MRI, cerebral blood flow) * GENERAL_PHENOM, HUMAN_PHENOM, NATURAL_PHENOM, (Medical phenomenon or process, e.g. UV radiation) * INDICATOR (Reagent or diagnostic aid, e.g. hydrogen peroxide, sulfhydryl reagent) * ACRONYM, AUTHOR, PUBLICATIONTYPE (e.g. Journal Article, Technical Report) Reference: C. Nobata, P. Cotter, N. Okazaki, B. Rea, Y. Sasaki, Y. Tsuruoka, J. Tsujii and S. Ananiadou. Kleio: a knowledge-enriched information retrieval system for biology. In Proc. of the 31st Annual International ACM SIGIR Conference, pp. 787--788, 2008

Abbreviations: KLEIO

Resource Type: service resource

Keywords: semantic search, entity recognition

Funding: JISC

Availability: Acknowledgement required, See Terms of Use

Resource Name: KLEIO

Resource ID: SCR_000698

Alternate IDs: OMICS_01186, nlx_44954

Alternate URLs: <http://www.nactem.ac.uk/software/kleio/>

Record Creation Time: 20220129T080203+0000

Record Last Update: 20250410T064628+0000

Ratings and Alerts

No rating or validation information has been found for KLEIO.
