R453Plus1Toolbox

RRID:SCR_001105

Type: Tool

Proper Citation

R453Plus1Toolbox (RRID:SCR_001105)

Resource Information

URL: <http://www.bioconductor.org/packages/2.10/bioc/html/R453Plus1Toolbox.html>

Proper Citation: R453Plus1Toolbox (RRID:SCR_001105)

Description: R software toolbox of functions for the analysis of data generated by Roche's 454 sequencing platform. Additional functions are included for quality assurance, annotation and visualization of detected variants, complementing the software tools shipped by Roche with their product. A pipeline for the detection of structural variants is provided.

Resource Type: data analysis software, data processing software, sequence analysis software, software application, software resource, software toolkit

Defining Citation: [PMID:21349869](#)

Keywords: genome, sequence, visualization, structural variants, r, sequence analysis software

Availability: Free, Available for download, Freely available

Resource Name: R453Plus1Toolbox

Resource ID: SCR_001105

Alternate IDs: OMICS_01354

License: LGPL-3

Record Creation Time: 20220129T080205+0000

Record Last Update: 20260821T193629+0000

Ratings and Alerts

No rating or validation information has been found for R453Plus1Toolbox.

No alerts have been found for R453Plus1Toolbox.
