The Biomedical Research Foundation - Current Research

RRID:SCR_001564

Type: Tool

Proper Citation

The Biomedical Research Foundation - Current Research (RRID:SCR_001564)

Resource Information

URL: <http://www.biomed.org>

Proper Citation: The Biomedical Research Foundation - Current Research (RRID:SCR_001564)

Description: THIS RESOURCE IS NO LONGER IN SERVICE, documented August 23, 2016. This laboratory facilities contain core research space for monoclonal antibody production, oligonucleotide and peptide synthesis, gene cloning, DNA sequencing, high performance liquid chromatography, tissue culture, positron emission tomography, magnetic resonance spectroscopy and electron microscopy.

Synonyms: BRI Research

Resource Type: portal, data or information resource, topical portal

Keywords: drug, electron microscopy, - flow cytometry, gene, abuse, alcohol, automated cell imaging, cancer, cloning, confocal and digital microscopy, dna, dna gene chip analysis, immunology, inflammation, ischemic disorder, liquid chromatography, magnetic resonance spectroscopy, mass spectrometry, monoclonal antibody production, neuroscience, oligonucleotide, peptide, polymerase chain reaction (pcr), positron emission tomography, sequencing, signal transduction, synthesis, tissue culture

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: The Biomedical Research Foundation - Current Research

Resource ID: SCR_001564

Alternate IDs: nif-0000-10446

Alternate URLs: <http://www.biomed.org/home>

Old URLs: http://www.biomed.org/bio_med_research.cfm

Record Creation Time: 20220129T080208+0000

Record Last Update: 20260810T040312+0000

Ratings and Alerts

No rating or validation information has been found for The Biomedical Research Foundation - Current Research.

No alerts have been found for The Biomedical Research Foundation - Current Research.
