Seg3D

RRID:SCR_002552

Type: Tool

Proper Citation

Seg3D (RRID:SCR_002552)

Resource Information

URL: <http://www.seg3d.org>

Proper Citation: Seg3D (RRID:SCR_002552)

Description: A free volume processing segmenting tool that combines a flexible manual interface with powerful image processing and segmentation algorithms. Users can explore and label image volumes using slice windows and 3D volume rendering.

Abbreviations: Seg3D

Resource Type: data processing software, data visualization software, image analysis software, image processing software, rendering software, segmentation software, software application, software resource

Defining Citation: [PMID:29083867](#)

Keywords: analyze, c++, dicom, image display, linux, macos, microsoft, magnetic resonance, nrrd, posix/unix-like, rendering, segmentation, three dimensional display, visualization, volume rendering, win32 (ms windows), windows

Funding: NIGMS 8 P41 GM103545-15

Availability: Free, Available for download, Freely available

Resource Name: Seg3D

Resource ID: SCR_002552

Alternate IDs: nlx_155959

Alternate URLs: <http://www.nitrc.org/projects/seg3d>

License: MIT License

Record Creation Time: 20220129T080214+0000

Record Last Update: 20260821T193644+0000

Ratings and Alerts

No rating or validation information has been found for Seg3D.

No alerts have been found for Seg3D.
