Description: A single line of code to add your article pages to include the Altmetric score and donut graphic on your own site with minimal technical effort. Choose from an array of different badge styles, including the colourful and iconic Altmetric donut. Implement article level metrics into your pages in minutes. Their pricing is based on the number of journals you want covered, with significant discounts for larger portfolios. You can try out the badges for free and without any commitment - however, your visitors will only see a subset of activity for each article when they click through. See the technical documentation for details.
