vis: SPM Visualized Statistics toolbox

RRID:SCR_002619
Type: Tool

Proper Citation

vis: SPM Visualized Statistics toolbox (RRID:SCR_002619)

Resource Information

URL: http://tools.robjellis.net/

Proper Citation: vis: SPM Visualized Statistics toolbox (RRID:SCR_002619)

Description: Simple, menu-driven software toolbox for SPM 5/8 for exploratory data analysis for functional or structural images (.img / .nii) provides the user with several options: # a histogram of all non-zero voxel values in a brain image; # a scatter plot, Q-Q plot, or Bland-Altman plots comparing two images; # a surface plot of all voxel values at a particular axial slice; # easy Region of Interst (ROI)-based extraction of voxel values. Note: the toolbox calls various SPM 5/8 functions. The Q-Q plot function requires the MATLAB stats toolbox.

Abbreviations: vis

Synonyms: Visualized Statistics toolbox (vis), Visualized Statistics toolbox, vis: visualized statistics toolbox

Resource Type: software toolkit, software application, image analysis software, data processing software, software resource

Keywords: analyze, magnetic resonance, nifti, quantification, statistical operation, visualization

Funding:

Availability: GNU General Public License

Resource Name: vis: SPM Visualized Statistics toolbox

Resource ID: SCR_002619

Alternate IDs: nlx_156024

Alternate URLs: http://www.nitrc.org/projects/vis

Record Creation Time: 20220129T080214+0000

Record Last Update: 20250509T055540+0000

Ratings and Alerts

No rating or validation information has been found for vis: SPM Visualized Statistics toolbox.

No alerts have been found for vis: SPM Visualized Statistics toolbox.
