CGHnormaliter

RRID:SCR_002936

Type: Tool

Proper Citation

CGHnormaliter (RRID:SCR_002936)

Resource Information

URL: <http://www.bioconductor.org/packages/devel/bioc/html/CGHnormaliter.html>

Proper Citation: CGHnormaliter (RRID:SCR_002936)

Description: Software for normalization and centralization of array comparative genomic hybridization (aCGH) data with imbalanced aberrations. The algorithm uses an iterative procedure that effectively eliminates the influence of imbalanced copy numbers. This leads to a more reliable assessment of copy number alterations (CNAs).

Synonyms: CGHnormaliter - Normalization of array CGH data with imbalanced aberrations.

Resource Type: software resource

Defining Citation: [PMID:20418341](#)

Keywords: standalone software, mac os x, unix/linux, windows, r, array comparative genomic hybridization, copy number alteration, microarray, preprocessing

Availability: Free, Available for download, Freely available

Resource Name: CGHnormaliter

Resource ID: SCR_002936

Alternate IDs: OMICS_02572

Alternate URLs:

<http://www.bioconductor.org/packages/release/bioc/html/CGHnormaliter.html>

License: GNU General Public License, v3 or greater

Record Creation Time: 20220129T080216+0000

Record Last Update: 20260815T182220+0000

Ratings and Alerts

No rating or validation information has been found for CGHnormaliter.

No alerts have been found for CGHnormaliter.
