ggbio

RRID:SCR_003313

Type: Tool

Proper Citation

ggbio (RRID:SCR_003313)

Resource Information

URL: http://www.bioconductor.org/packages/release/bioc/html/ggbio.html

Proper Citation: ggbio (RRID:SCR_003313)

Description: An R package for extending the grammar of graphics for genomic data. The graphics are designed to answer common scientific questions, in particular those often asked of high throughput genomics data. All core Bioconductor data structures are supported, where appropriate. The package supports detailed views of particular genomic regions, as well as genome-wide overviews. Supported overviews include ideograms and grand linear views. High-level plots include sequence fragment length, edge-linked interval to data view, mismatch pileup, and several splicing summaries.

Synonyms: ggbio - Visualization tools for genomic data

Resource Type: software resource

Defining Citation: PMID:22937822

Keywords: standalone software, unix/linux, mac os x, windows, r, infrastructure,

visualization, bio.tools

Funding:

Availability: Artistic License, v2

Resource Name: ggbio

Resource ID: SCR 003313

Alternate IDs: biotools:ggbio, OMICS_04660

Alternate URLs: http://www.tengfei.name/ggbio/, https://bio.tools/ggbio

Record Creation Time: 20220129T080218+0000

Record Last Update: 20250420T014139+0000

Ratings and Alerts

No rating or validation information has been found for ggbio.

No alerts have been found for ggbio.
