## miR-PREFeR

RRID:SCR\_003353

Type: Tool

### **Proper Citation**

miR-PREFeR (RRID:SCR\_003353)

#### **Resource Information**

**URL:** https://github.com/hangelwen/miR-PREFeR

**Proper Citation:** miR-PREFeR (RRID:SCR\_003353)

**Description:** An accurate, fast, and easy-to-use plant miRNA prediction software tool using small RNA-Seq data. It utilizes expression patterns of miRNA and follows the criteria for plant microRNA annotation to accurately predict plant miRNAs from one or more small RNA-Seq data samples of the same species.

Synonyms: miRNA PREdiction From small RNA-Seq data, miR-PREFeR: microRNA

PREdiction From small RNAseq data

Resource Type: software resource

**Defining Citation:** PMID:24930140

**Keywords:** standalone software, bio.tools

**Funding:** 

Availability: GNU General Public License, v3 or greater

Resource Name: miR-PREFeR

Resource ID: SCR\_003353

**Alternate IDs:** biotools:mir-prefer, OMICS\_04637

Alternate URLs: https://bio.tools/mir-prefer

**Record Creation Time:** 20220129T080218+0000

Record Last Update: 20250420T014140+0000

## Ratings and Alerts

No rating or validation information has been found for miR-PREFeR.

No alerts have been found for miR-PREFeR.

#### Data and Source Information

Source: SciCrunch Registry

### **Usage and Citation Metrics**

We found 7 mentions in open access literature.

**Listed below are recent publications.** The full list is available at dkNET.
