GSE4271

RRID:SCR_003643

Type: Tool

Proper Citation

GSE4271 (RRID:SCR_003643)

Resource Information

URL: <http://ranchobiosciences.com/gse4271/>

Proper Citation: GSE4271 (RRID:SCR_003643)

Description: Curated data set from a study that investigated 77 primary high-grade astrocytomas and 23 matched recurrences so that changes in gene expression related to both survival and disease progression can be identified. Samples in the study include WHO grade III and IV astrocytomas with a wide range of survival times.

Abbreviations: GSE4271

Resource Type: data or information resource, data set

Keywords: adult human, brain, gene expression

Related Condition: Cancer, Astrocytoma

Availability: Free, Public

Resource Name: GSE4271

Resource ID: SCR_003643

Alternate IDs: nlx_157794

Record Creation Time: 20220129T080220+0000

Record Last Update: 20260821T193711+0000

Ratings and Alerts

No rating or validation information has been found for GSE4271.

No alerts have been found for GSE4271.
