Description: Safe and secure environmentally controlled storage for the biotech, pharmaceutical and medical device industries. Masy provides same-day retrieval and shipping of your biomaterials. Our cost-effective repository space is comprised of multiple chamber styles, from walk-in refrigerators / freezers for large containers, to single-shelf storage units for individual vials. Segregated & unsegregated storage is available. Our sophisticated inventory management system utilizes a precise bar-code inventory track-and-trace system with data safely stored on dedicated servers. Critical data access is secured by password protection. Environmental storage condition information and sample access is limited to customer approved personnel only. Our in-house Validation and Calibration teams allow us to offer unique storage conditions. And, we now offer GMP labeling and distribution of clinical samples. Masy is ISO 9001:2009 Certified and NVLAP ISO/IEC 17025:2005 Accredited. Our state-of-the-art facility is conveniently located less than an hour from Metro-Boston, just 15 minutes from the Devens Commerce Park.
