Proper Citation: PubMed Central (RRID:SCR_004166)

Description: Collection of full text archive of biomedical and life sciences journal literature at U.S. National Institutes of Health National Library of Medicine (NIH/NLM). With PubMed Central, NCBI is taking lead in preserving and maintaining open access to electronic literature. Value of PubMed Central, in addition to its role as an archive, lies in what can be done when data from diverse sources is stored in common format in single repository. All articles in PMC are free (sometimes on a delayed basis). Some journals go beyond free, to Open Access.

Abbreviations: PMC

Resource Type: data or information resource, storage service resource, service resource, database

Keywords: literature, biomedical, life, science, journal, repository, electronic, literature, gold standard

Funding: NIH

Availability: Free, Some open access - authors retain copyright,

Resource Name: PubMed Central

Resource ID: SCR_004166

Alternate IDs: nlx_18862, OMICS_01193
