# Biospecimens/Biorepositories: Rare Disease-HUB (RD-HUB)

RRID:SCR\_004327

Type: Tool

#### **Proper Citation**

Biospecimens/Biorepositories: Rare Disease-HUB (RD-HUB) (RRID:SCR 004327)

#### **Resource Information**

URL: https://ncats.nih.gov/grdr/rdhub

**Proper Citation:** Biospecimens/Biorepositories: Rare Disease-HUB (RD-HUB)

(RRID:SCR\_004327)

**Description:** A database of biospecimens collected, stored, and distributed by biorepositories in the United States and around the globe. Its goals are: To help and assist interested parties and investigators search, locate, and identify desired biospecimens needed for their research; to facilitate collaboration and sharing of material and data among investigators across the globe; to accelerate research to facilitate the discovery of new treatments, therapeutics and eventually cures for rare diseases as well as common diseases; to identify, locate and increase the awareness of existing biorepositories across the globe; and to link the RD-HUB with the Global Rare Diseases Patient Registry and Data Repository (GRDR).

Abbreviations: RD-HUB

**Synonyms:** Biospecimens / Biorepositories: Rare Disease-HUB, Biospecimens/Biorepositories: Rare Disease-HUB, Rare Disease-HUB

Resource Type: biomaterial supply resource, material resource

**Defining Citation: PMID:20609392** 

**Keywords:** rare disease, disease, public

Related Condition: Rare disease, Aging

Funding: NIH

Availability: Public, The community can contribute to this resource

Resource Name: Biospecimens/Biorepositories: Rare Disease-HUB (RD-HUB)

Resource ID: SCR\_004327

Alternate IDs: nlx\_143682

Old URLs: http://biospecimens.ordr.info.nih.gov/

**Record Creation Time:** 20220129T080224+0000

Record Last Update: 20250410T065152+0000

#### **Ratings and Alerts**

No rating or validation information has been found for Biospecimens/Biorepositories: Rare Disease-HUB (RD-HUB).

No alerts have been found for Biospecimens/Biorepositories: Rare Disease-HUB (RD-HUB).
