Neurologic AIDS Research Consortium

RRID:SCR_005019

Type: Tool

Proper Citation

Neurologic AIDS Research Consortium (RRID:SCR_005019)

Resource Information

URL: <http://narc.wustl.edu/narc/default.aspx>

Proper Citation: Neurologic AIDS Research Consortium (RRID:SCR_005019)

Description: THIS RESOURCE IS NO LONGER IN SERVICE, documented August 22, 2016. The Neurologic AIDS Research Consortium (NARC) is supported by the National Institutes of Health to design and carry out clinical trials to improve the therapy for HIV induced neurologic disease, and neurologic conditions associated with the AIDS virus. This consortium was established in 1993 when the NARC grant submitted by David B. Clifford, M.D. of Washington University School of Medicine was funded by the National Institute of Neurologic Disorders and Stroke (NINDS) to establish the consortium. Since that time the grant has supported studies of the natural history of neurologic performance in advanced AIDS, treatment of HIV associated peripheral neuropathy, progressive multifocal leukoencephalopathy, and cytomegalovirus.

Abbreviations: NARC

Resource Type: topical portal, research forum portal, portal, data or information resource, disease-related portal

Keywords: neuroaids, aids, human immunodeficiency virus, clinical trial, peripheral neuropathy, leukoencephalopathy, cytomegalovirus, neurological disease, neurocognitive disease

Funding: NINDS

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: Neurologic AIDS Research Consortium

Resource ID: SCR_005019

Alternate IDs: nlx_144010

Record Creation Time: 20220129T080228+0000

Record Last Update: 20260815T042517+0000

Ratings and Alerts

No rating or validation information has been found for Neurologic AIDS Research Consortium.

No alerts have been found for Neurologic AIDS Research Consortium.
